

# LEADERSHIP, TRAINING & DISCIPLESHIP

Our Leadership Training and Discipleship (LTD) ministry exists to equip the church for works of service, so that the body of Christ may be built up. This is achieved firstly through discipleship processes (Connect, Challenge & Change) that help new and growing believers become rooted and established in Christ in their personal life as well as in their work of ministry. Secondly, through our marketplace ministry, we raise, train, equip and send out church members as influential leaders in all their respective spheres.
