

PRAYER, PROTOCOL & OUTREACH MINISTRY

This ministry exists to mobilize, equip, and challenge church members to be involved in missions and evangelism. The ministry's focus areas include prisons, students, community outreach, hospitals, and church plants. All our ministry events and programs must be anchored in prayer which this ministry also coordinates for the entire church.

Protocol Ministry

Our protocol ministry is key to our worship experience as they are a congregant's first point of contact. The team ensures all receive a warm welcome, are seated, and assisted in every way possible. They assist in attending to all logistical issues related to our worship services to ensure proper coordination.
